

Plant pathology research

Package information

	Code	Description	Minimum sample amount ²⁾	Report time in days ¹⁾
<u>DNA</u>	DM	DNA <i>Multi</i> scan , 54 Fungi	2-5 plants or	2-3 days
	DB	DNA <i>Multi</i> scan , 12 Bactérie	250 ml water or	2-3 days
	DD	DNA <i>Combi</i> scan , all bactérie and fungi	300 gr soil	2-3 days
	DP	DNA <i>Previ</i> scan 1, 9 fungi		2-3 days
	DP6	DNA <i>Previ</i> scan 6, 9 fungi , this are 6 analyses		2-3 days
	DP12	DNA <i>Previ</i> scan 12, 9 fungi , this are 12 analyses		2-3 days
	DS	DNA <i>Sport</i> scan, 41 specific grass / turf fungi		2-3 days
	DT	DNA <i>Tricho</i> scan, kolonisation test Trichoderma		2-3 days
	GO	Soil disinfection scan, 8 fungi, 3 nematodes, before and after disinfection		2-3 days
	DX	DNA Multi scan additional (extra classic test)		2-3 days
<u>Fungi</u>	SP	Fungi in plant material Cfu determination Trichoderma	2 plants	10 days
<u>Spore counts</u>	BW	Number of aerobe bacteria in water	50 ml	4-5 days
	SW	Number of fungi in water	50 ml	4-5 days
	BS	Number of fungi and bacteria in water	50 ml	4-5 days
	EC	<i>E. coli</i> en <i>Coliformen</i> analysis	50 ml	4-5 days
<u>Insecten</u>	II	Determination insects	Several	2-4 days
	IM	Determination mite	Organisms	2-4 days
<u>Nematodes</u>	AG	Nematodes in soil or substrate	300 gr soil	3-4 days
	AP	Nematodes in plant material	20 gr roots	3-4 days
	AW	Nematodes in water	1000 ml	2 days
<u>Viruses</u>	VP	Viruses in plant material	2 plants	14 days
	V5	Viruses in plant material – without diagnoses	2 plants	14 days
<u>Bacteriën</u>	BP	Bacteria in plant material	2 plants	14 days
<u>Others</u>	VO	Visual research	2 plants	2 days
	TP	Cress test	300 gr soil	1 week
	SE	Sediment research	20 gram	1 week
	OD	Determination of weeds (incl. germination)		> 14 days
	KA	Flower bud determination	20 buds	3 days
	TB	Crop technical consultancy		

1) The report time is an indication in working days, starts after arrival in the laboratory (before 12.00 a.m.).

2) For your indication, 500 ml substrate is approximately ¼ of a den Haan sample bag.

More information can be found on our web site www.denhaan.nl, or e mail info@denhaan.nl, or call 00 31 15-7502590. On all our services and transactions our terms of delivery are applicable. The terms of delivery are registered at the chamber of commerce in Haaglanden. On request we sent you a copy of the terms of delivery.
